So Ben I understood you to be saying you agree with me that we should say yes and make room for her, and include her in the list to be approved at the board meeting next week. Right?

I agree unfortunately. It is hard to argue we do not have a spot of commission. We have essentially had one for 5 or 6 positions.

Ok I think it's a mistake to try to box her out and think we should welcome her. For a a lot of reasons, but I also guarantee you it will backfire on MSCC if we don't. So my vote is to make room for her.
